

Flatworld Technical Requirements

There are five of us in the band. Eric and Vo require a stool or a chair without arms, while the rest of us stand.

We require at least two foldback monitors, with separate mixes. We need mains supply for pedals and amps at both the front and back of the stage.

Our stage plan:

Eric

Mic: Djembe (on a short boom)

Mic: Percussion (on a short boom)

Vo

DI: Bass amp

Ralph

Mic: Saxophone mic (we provide), requires phantom power (global is okay)

Mic: Flute (on a boom)

Neil

DI: Guitar amp

Mic: Vocals (on a boom)

Kimberly

DI: Violin pickup via effects pedal (1/4" mono jack socket)

Mic: Vocals (on a boom)
